PRINCIPAL'S MESSAGE The outbreak of COVID-19 has taught us that change is inevitable. It has worked as a catalyst for the education institutions to grow and opt for the platforms with technologies which have not been used before.

During this phase of pandemic our commitment to our students has not changed. Our teachers worked hard to master new technology to improve teaching- learning experience.

MANAGER'S MESSAGE Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations"

Our school offers opportunities for all pupils to achieve excellence in academic, cultural, artistic, sporting, social justice and community endeavours. We provide an inclusive, caring environment which fosters collaborative learning and positive relationships.

We strive for excellence in everything we do. We provide a learning environment that allows every student to thrive as an individual. Excellent performance is not an exception but an expectation at High.
